## Program director Amy Hyatt's contact info

For questions, notifications of absences, messages late arrivals, etc:

- Cell: **802-275-2904** (texting preferred but calls are fine)
- Email: [hyatt@vermontwildernessschool.org](mailto:hyatt@vermontwildernessschool.org)

**Blue Heron Drop Off and Pick up will be occurring at the Entrance to the Greenwood School (14 Greenwood Lane, Putney, VT 05346)**

Our pattern will be:

- Please do a "U- turn" around at the driveway entrance then advance along the edge of the Watt Pond Road to park on the side.
- Wait for Amy (or Bob) to do a quick Health Check with you:
  - In the past 10 days, has this participant been in close contact with a person who has COVID-19?
  - Does this participant feel unwell with any symptoms consistent with COVID-19? *For example, a cough, high temperature, shortness of breath, difficulty breathing, chills, repeated shaking with chills, muscle pain, headache, sore throat, or new loss of taste or smell?*
  - Is this participant running a fever over 100.4?
- Once your child is cleared and also has a mask on, they will be waved on to where their pod group is meeting in the nearby Greenwood Woods.
- When your child is dropped off, please head on out to make space for next arrivals.

Pick up will follow a similar pattern. As you arrive, turn around, and park to wait, Amy will call your child(ren) over.

**Reminder:** Please be mindful as you are driving on Watt Pond Road. There are neighbors living on the road as well as some traffic in and out of the Greenwood School Campus.
